In Munster Technological University (previously CIT) the ONLY course that required a language in 2021 is Level 8 "International Business with language" and a H4/O1 is the grade necessary in the language studied.

For Primary school teaching in Mary Immaculate college Limerick Irish (H4) and English are the language requirements - another language is **not** required

For post-primary teaching courses in University of Limerick (eg PE / Biology / Woodwork) in addition to English, **either** Irish **or** another language is required – except for language teaching.
