

After School Study

An excellent after school study facility is offered for two hours at the end of each school day. Parents and pupils find it very beneficial. It is particularly designed to suit third years, fifth years and sixth years with other year groups included – subject to availability of places. The study centres are well supervised. Holiday and Saturday study is also organised for third and sixth years.

Book Rental Scheme

The school operates a book rental scheme whereby parents can rent text books for students. The scheme greatly reduces the cost of text books.

“A whole school climate that is led by the desire to do the very best for all students; an atmosphere that has the hallmarks of commitment, openness, professionalism, reflection and trust”

Department of Education School Evaluation

Student Awards

We celebrate student endeavour and achievement every year through our annual Barr Bua Awards.

“Students were impeccably well behaved in all lessons”

Department of Education School Evaluation

“Teacher’s love of their subject was obvious”
