

Laura's Schoolwear has re-opened for business. In line with the present government guidelines, it is our initial intention to operate an appointment only service. To make an appointment, please ring us or email us at your earliest convenience.

To encourage customers to shop early we will offer a 10% discount on all items of the St Peters School Uniform purchased from **Monday June 21st to Wednesday June 30th 2021**

Ideally, if you would like to email us with your requirements, we will have your package ready for collection from Laura's Schoolwear.

To ensure a safe working environment we would appreciate adhering to the following recommendations:

- We would appreciate where possible that one parent visits our store with one student.
- Please check the size your child was wearing last term. (Even if this was for another school).
- Ideally, we recommend wearing clothing that will allow for the uniform to be tried on over it.
